# BUY TWO MAKERBOT REPLICATOR DESKTOP 3D PRINTERS, GIVE ONE TO A SCHOOL

Empowering the Makers of Today to Benefit the Innovators of Tomorrow

For customers that purchase two new MakerBot Replicator Desktop 3D Printers, MakerBot will donate a refurbished model to a school of their choice. To qualify, you will also need to purchase at least 1-year of MakerCare for each printer.

Moving forward is as much about where you came from as it is about the future. Startups, small businesses, and 3D printing professionals can both aspire to greater innovation and help students do the same. Let's recognize, celebrate, and lift up schools with 3D printing!

## DONATING A 3D PRINTER

Customers who buy two can give one by emailing [campaigns@makerbot.com](mailto:campaigns@makerbot.com) within 30 days of their purchase. The email should include:

- Photocopy of receipt and printer serial numbers
- Information on the school of choice (address, phone number, email)

If you would like suggestions for schools, MakerBot can also provide a list. Refurbished 3D printers will be sent out within six weeks of the purchase.

- Campaign Deadline: 12/15/2015

## MAKERBOT REPLICATOR DESKTOP 3D PRINTER

- Create professional-quality, high-resolution prototypes and complex models
- Ease of use, wide connectivity options, and reliability make the MakerBot Replicator Desktop 3D Printer your workhorse.
- Tap into the power of MakerBot's expanding ecosystem of products and services
- Take advantage of forthcoming features with the swappable Smart Extruder
- USB, Ethernet, and Wi-Fi connectivity for a seamless production workflow
- On-board camera and diagnostics, and assisted build plate leveling

## BUILD VOLUME

- 25.2 L X 19.9 W X 15.0 H CM [9.9 X 7.8 X 5.9 IN]

## LAYER RESOLUTION

- 100 microns

## SUPPORT

- 1 Year MakerBot MakerCare Protection Plans for new MakerBot Replicator Desktop 3D Printers (upgradable to 2 or 3 year)
- Standard 6-month warranty for refurbished MakerBot Replicator Desktop 3D Printer

## SOFTWARE

- Free MakerBot Desktop

# BUY TWO MAKERBOT REPLICATOR Z18 BUNDLE, GIVE A 3D PRINTER TO A SCHOOL

Empowering the Makers of Today to Benefit the Innovators of Tomorrow

For customers that purchase the MakerBot Replicator Z18 Bundle, MakerBot will donate a refurbished Replicator Desktop 3D Printer model to the school of their choice. The MakerBot Replicator Z18 Bundle includes the MakerBot Replicator Z18 3D Printer, the MakerBot Cart, the MakerBot Filament Case, 1 year MakerBot MakerCare Protection, and one XXL spool of PLA filament.

Moving forward is as much about where you came from as it is about the future. Startups, small businesses, and 3D printing professionals can both aspire to greater innovation and help students do the same. Let's recognize, celebrate, and lift up schools with 3D printing!

## DONATING A 3D PRINTER

Customers who buy two can give one by emailing [campaigns@makerbot.com](mailto:campaigns@makerbot.com) within 30 days of their purchase. The email should include:

- Photocopy of receipt and printer serial numbers
- Information on the school of choice (address, phone number, email)

If you would like suggestions for schools, MakerBot can also provide a list. Refurbished 3D printers will be sent out within six weeks of the purchase.

- Campaign Deadline: 12/15/2015

## MAKERBOT REPLICATOR Z18 3D PRINTER

- Make extra-large and ultra-tall prototypes, models, and products
- Think and build bigger than ever
- Print multiple things at once: save time and simplify processes
- Massive Build Volume:  
30.5 L x 30.5 W x 5.7 H cm  
[12.0 L x 12.0 W x 18.0 H in]
- Layer Resolution: 100 microns [0.0039in]

## MAKERBOT CART

- Built so the MakerBot Replicator Z18 Printer can rest on top
- Enables you to store and easily access filament and accessories inside
- Can hold up to 80 lb. of filament
- Wheels on the bottom allow you to move the printer, which would otherwise require two people to move

## MAKERBOT FILAMENT CASE

- Stores XXL spool or two XL spools of MakerBot filament
- Fully enclosed and made of ABS plastic for protecting filament
- Features a PTFE tube so you can feed filament directly to your MakerBot Replicator Z18

## SUPPORT

- 1 Year MakerBot MakerCare Protection Plans for new MakerBot Replicator Desktop 3D Printers (upgradable to 2 or 3 year)
- Standard 6-month warranty for refurbished MakerBot Replicator Desktop 3D Printer
